PARKING REGULATIONS

1. Students are to obey all city and state traffic regulations. Students are to follow all ONE WAY directional signs. The speed limit in all parking lots is **10 MPH**. Students who drive with 'willful and wanton disregard' near school property will have their parking permit suspended or revoked.
2. Parking permit hangers must be hanging, with an unobstructed clear view, from your rearview mirror. The permit number must face the exterior and be visible and unobstructed. Permit holders not displaying the hanger will be issued a ticket. Hangers with numbers removed **MUST** be replaced at owner's expense. If you drive a different car and do not have your hanger, you must sign in the car in the front office. If you receive a parking ticket for not having your hanger displayed, you will be responsible to pay the ticket.
3. Spaces in all student lots will be filled on a first-come, first-served basis by student permit holders. Students with parking permits are to park between **WHITE LINES**. Parking in the Staff Areas (yellow lines), in bus zones, along marked and unmarked curbs, along guardrails or marked visitor/handicapped spaces is prohibited. Cars parked illegally will be ticketed and/or towed at the owner's expense. Parking along the drainage ditch in the west parking lot is not permitted due to safety issues.
4. **Just because you have a parking permit does not mean you cannot be ticketed or towed**. Some examples that will cause you to be ticketed or towed may include: a) parked in a staff area; b) parked in unmarked parking spots; c) parked in handicap or visitor space; d) not having your permit tag properly displayed; e) excessively loud operation of car stereo equipment; f) parking in Heritage, Robert Frost or warehouse lots.
5. No student to student parking permit transfers are allowed under any circumstances.
6. If your permit hanger is lost, stolen or misplaced, you must report it **immediately** to the School Resource Officer. A Westerville Police Department Theft Report (for stolen hangers) must be issued before a new hanger is issued. Replacement tags are \$10 during the 1st semester and \$5 during the 2nd semester.
7. **You are responsible for all tickets issued to your permit number**. All tickets must be paid within 10 days. **If the ticket is not paid within 10 days, your parking pass will be taken and held until the parking ticket is paid**. Also, if parking tickets are not paid, you will not be able to purchase tickets to school dances.
8. Any car that has received 3 or more tickets will be placed on a TOW LIST. Additional tickets will cause the car to be towed at the owner's expense. You do not come off of this tow list after you have paid your tickets.
9. School buses have the right-of-way in all school lots. Once the buses begin to leave, all vehicles should remain in parking spaces until the buses are out of the lot.
10. All fees and fines must be paid before receiving a parking permit.
11. Students may not sit in their cars while parked on school grounds. Students are not to leave the building during the school day to get things from their car without first obtaining permission from the front office. Cars are to remain locked while on school grounds. Students are not to allow other students to drive their cars onto or off of the school grounds.
12. To obtain a handicap parking permit to use handicap parking at Westerville North, you should contact an office of the State of Ohio Deputy Registrar. Handicap parking permits are issued by the Sate of Ohio – not Westerville North.
13. Seniors with lunch permission may not transport students who do not have lunch permission to or from lunch. Transporting students without permission to be out of the building will cause a loss of parking privileges. Students who leave school for lunch without permission may loose parking privileges.
