

**CollegeSmiths' highly successful, in-school, two-session ACT Workshop
is coming back to Westerville North H.S.**

Wednesday February 28th (pm) AND Friday March 2nd (am) during school

SPACE is LIMITED. Register SOON, but before Feb. 23rd

CollegeSmiths will use their extensive knowledge of the ACT to present a very thorough, very fast-paced workshop covering all the parts of the ACT and every type of question in very student-friendly segments. It is perfect timing for juniors for the upcoming Spring test dates. It is important that students have some time to practice before taking the test, after they have learned what and how to practice

One session will cover **Reading and Science from 11:30 a.m. - 2:00 p.m. on the 28th** and the other will cover **English and Math from 7:45 - 10:45 a.m. on the 2nd**. **Absences are excused.**

CollegeSmiths has set a special, lower rate for the **whole workshop of just \$65 as a way of emphasizing our Westerville roots.**

“CollegeSmiths” is really Rich and Kristy Smith and they have spent MANY years in Westerville. Rich helped open North and was a counselor there for 25 years. Kristy was a counselor there for 13 years (and 6 at Kilbourne) and an **English teacher at South** for over 10 years before that. Between them, they have **over 60 years of college counseling experience and over 33 years of test prep experience, working with thousands of students. Both** have received the **top award of their state professional organization** given annually to just one person. After they retired, they started CollegeSmiths 9 years ago and have since worked with over 6,000 students from about 77 high schools on one or more of their **3 services (test prep, college counseling and application help, including essays, resumes, and common apps).**

Our first three Westerville North workshops received great reviews and resulted in significant test improvement.

Feel free to call or email Rich of CollegeSmiths (614-519-0678 or richsmith0678@att.net) with questions about the Workshop or our other services (Individual Test Prep, College Counseling or Application Help, including Essays, Resumes, and Common App).

Two EASY STEPS to REGISTER (by Feb. 23rd):

1. Send an email to richsmith0678@att.net with student's name, grade, school, workshop desired (Feb 28/March 2) and a contact phone #
2. Send a \$65 check to Rich Smith, 2033 Chardon Rd, Columbus, 43220

Then, **watch for (and respond to) an email a week prior to the workshop** with all the details and **show up at your assigned time and room (given in that email)**. Also, please be sure to thank your principal and counselor for providing this special opportunity.
