

Hurricane Harvey Relief Items

The recent flooding in Houston from Hurricane Harvey has created destruction on a scale not seen before in America. At Quest, we believe that everyone can help, and we can, through Mercy Response, an outreach of the New Orleans Vineyard. Here is how you can help:

Fill A Box of Hope

Three type of boxes are needed: Baby Items, Hygiene Items, and Food. The lists for these boxes are located on the back of this flyer. These items will be collected at Quest Community Church, located at 4877 Central College Road, Westerville, 43081. They will be collected on September 17th between 9AM and 12:30PM

1. Choose which list you would like to fill (Baby, Hygiene, or Food – these lists can be found on the other side)
2. Get enough items from that list to fill an 18x11x11 box.
3. Bring those items back to church and put them in an empty Box of Hope. Mark the outside of the box with what type of box it is: Baby, Hygiene, or Food.

Kurtz Brothers Mulch has generously donated two semi-trailers, as well as the drivers to take these supplies to the Mercy Response camps. Vineyard Community Church in Etna will be a staging area where churches can drop off their boxes on September 23rd from 9am to Noon.

FOOD BOX

- 3 Boxes of macaroni and cheese
- 1 Bag (2 lb) of rice
- 1 Bag (2 lb) of beans
- 1 Container (18-20 oz) of fruit drink mix
