Delaware County Foundation Scholarship Applications Due March 4

The Delaware County Foundation is accepting scholarships for graduating high school seniors. The application deadline is March 4th, 2019.

Last year, more than 200 scholarships were awarded in excess of \$300,000.

Applications require gathering information, writing an essay, completing financial aid information FAFSA (www.fafsa.gov) and acquiring a transcript. Marlene Casini, president of the Delaware County Foundation says, "It is important to start the application process well ahead of the deadline."

All applications are on-line and available on the Foundation's website at <http://www.delawarecf.org/grants-scholarships/>.

Scholarships are available for those attending four-year degree granting programs as well as scholarships for associates degrees and vocational education.

Scholarships range from \$500 to \$5,000. Some scholarships are renewable with an annual application. Scholarship recipients are announced in the spring at high school awards nights throughout the county.

In addition to the scholarships available to graduating high school seniors, there are scholarships for college sophomores, juniors, and seniors from Delaware County who are enrolled full-time. Applications to these scholarships are due on June 3, 2019.

For any questions about applications or contributing to a scholarship fund contact the Delaware County Foundation at (614) 764-2332.
